"His curious background (military bands, Stockhausen, North Indian vocal music and Western pop) coupled with his sharp and rigorous intelligence, have given him a breadth of perspective that is unique. His music is unlike any other; powerful, exotic and crammed with new ideas."
Brian Eno

"Trumpet-master Jon Hassell is a slippery stylist. Not quite jazz, not quite new age — Hassell's Eastern-influenced brass approach has, in recent years, enriched recordings as diverse as Talking Heads, Peter Gabriel and Lloyd Cole. ... Soundscapes of five cities are painted in echoey electronic colours. ... the stark simplicity makes for some rewarding listening."
Louise Gray
